## BIO

I'm a developer who enjoys developing online and mobile applications and want to work professionally in this field. Working with a full technology stack, from frontend to backend, and everything in between, is something I enjoy doing.

I relish problem solving and am ever willing to learn new languages and frameworks. Overall, I'm fascinated by technology and I'm eager to join teams in the industry and use my skills to better people's lives.

I am currently based in Pretoria and willing to relocate.

EMPLOYMENT HISTORY

Junior Sales Representative, Cash Crusaders

Nov 2018 - Dec 2018

During my time as a junior sales representative, I performed the following duties:

- Presented, promoted, and sold products/services to existing and prospective customers
- Performed cost-benefit and needs analysis of existing potential customers to meet their needs
- Established, developed, and maintained positive business and customer relationships
- Expedited the resolution of customer problems and complaints to maximize satisfaction
- Achieved agreed upon sales targets and outcomes
- Supplied management with reports on customer needs, problems, interests, competitive activities, and potential for new products and services.
- Continuously improved customer service through after sales feedback
